## About us

Discover a world of high quality, handmade eco-friendly pet products which are natural, luxurious, creative, colorful and elegant by design. Our business is designed to uplift and empower communities in the economic growth of poverty stricken countries like Nepal.

### TOGETHER WE CAN MAKE A REAL DIFFERENCE !

This is what we believe here at Le Sharma. We believe disadvantaged women artisans and farmers around the world should have the opportunity to break the cycle of poverty and support their families through fair payments and respectful relationships. All our pet products we offer has a story behind it–of an empowered women artisan or farmer who works in a safe environment, can send his or her children to school, and can save for the future with the reliable income he or she earns through fair trade.

Note: Items are handmade so every pieces may very slightly.

## Best Award

Help us to realize our dream of creating a tangible difference to others by purchasing our eco friendly pet products.

# Eco Friendly Cat Cave

Handmade Eco-friendly felted Cats Cave: Studies have shown that cats are naturally attracted by the wool odor. It has also been known that cats like wool because the odor of lanolin in wool is similar to the odor of the fur around the nipples of the kitten's mother. Can be used indoors or for transportation. Wool fiber is hollow which allows for excellent air circulation making it both warm in the winter & cool in the summer. Wool fiber is naturally resistant to odors making it is a great choice for the place your pet sleeps. Also wool fiber is naturally resistant to dirt and won't absorb dirt into its fibers.

## Food for Street Dogs of Nepal

In Kathmandu Valley, over 22,000 stray dogs wander the streets, many of them are at this moment suffering and dying on the streets of Kathmandu. We are trying to help the street dog's situation by supporting the dog feeding campaigns project for street dogs by spending a percentage of our sold products.
